Verneta,

That account should already be funded in Compass and available in People Plus. The correct accounting string is as follows:

2014 HR 05FHXHR 303D91 Z5NB

Try adding it before you go and let me know if you were successful (I was able to add it to my favorites with no error message).

I just tried to create an account in People Plus, it says the below account # is not funded or budgeted. Would it be possible for you to insert this account in my favorites, when it get funded? I would greatly appreciate it, since I will be out in the field. Thanks, Verneta
